

The poster features a vibrant, abstract design with overlapping geometric shapes in red, orange, yellow, green, and blue. A large, light green 'X' shape is superimposed over the background. At the bottom, a purple silhouette of a city skyline is visible. The text is centered in the upper half of the image.

GAMES

MADE IN HONG KONG

GAME DEVA^{HK}

香港遊戲開發聯盟

Hong Kong Game Developer Alliance

Hong Kong Game Developer Alliance (GameDEVA.HK) is a consortium of professional game developers operating in Hong Kong.

GameDEVA aims to promote the game development industry of Hong Kong by enhancing cooperation between local developers.

The game industry in Hong Kong is growing rapidly, and there are many high-quality games produced in Hong Kong.

We would like to use this opportunity to introduce some of our games to you.

If you would like to know more, feel free to contact us at support@gamedeva.hk

HELLWARDERS

"Hell is at our gates"

4 Player Co-op !

Build your Army

Feature

You and your friends are tasked with defending the Nexus from unrelenting demon assaults.

Set up archers, catapults, and mages – carefully choose where to place them for maximum defensive cover.

SWORD OF THE GUARDIAN

Persistence and Solo Development

Paying homage to the classic side-scrolling beat'em up arcade games, the Sword of the Guardian is a new action video game that honours those iconic features like command-based attacks, with further enhancement on specially curated combos and intriguing scenes, which also support up to three local players.

Feature

- A co-op gameplay up to three local players
- Command-based combo attacks
- Spectacular details on 3D backgrounds,
- Smooth gameplay with exhilarating feeling
- More actions, throwing weapons and magic
- Three characters with distinctive features and fighting styles at your disposal
- Multiple storylines
- Diverse fighting combo/cancel system

Founded: 2016

"The one man band development team."

Zold:out

New SRRG - Zold:out Weapon Deck & Team Formation

Each character has their own master weapon ; you can design your own teams with suitable weapons and characters to achieve the best combination for your fight.

The weapons will share among teammates; hence you have to consider how one action will affect to the future actions. You can put different weapons in the characters and share the weapons with other teammates.

麻將天下 Mahjong World

We are a game startup incubated in Cyberport HK.
 I love "Mahjong", also a casual gamer, mahjong is hard to learn and hard to teach, that's why I want to develop a mahjong game that easy to learn while playing it and make a family and friends game. Even Julia Roberts said, "she played Mahjong with her friend and family all day".

WTM CO. Ltd
 彦林志有限公司
